There are lots of running machines and weights machines, but there aren't any bicycles. There's a sauna, but there isn't a steam room and there are very nice showers and free cosmetics! There are different ways to pay for the classes. You can pay by cash, credit card or cheque.

Everybody talks about the weather, but nobody can do anything about it. It is true. People usually begin their talks with "Isn't it a nice day?" "Do you think it will rain?" "What a fine day!", etc (等等).

Many people think they can tell what the weather is going to be like. But they hardly (几乎不) agree with each other. One may say, "Do you see how cloudy it is in the east? It's going to rain tomorrow." Another man will say, "No, it's going to be fine tomorrow."

People often look for the weather they want: when a farmer needs water, he looks for something to tell him it's going to rain, and he won't believe anything else.

Almost everyone listens to what the weatherman (天气预报员) says. But he doesn't always tell us what we want, and once in a while (偶尔) he makes a mistake. Still, he maybe comes closer to being correct than anyone else.

31. Everybody talks about the weather, but nobody can change it.
- A. Right.    B. Wrong.
- C. Doesn't say.

32. People usually have similar (相似的) ideas about the weather.
- A. Right. B. Wrong.
- C. Doesn't say.
33. When farmers need water, they like rainy weather.
- A. Right. B. Wrong.
- C. Doesn't say.
34. Many people take umbrellas (伞) when they go traveling.
- A. Right. B. Wrong.
- C. Doesn't say.
35. The weatherman never makes mistakes.
- A. Right. B. Wrong.
- C. Doesn't say.
