What do I do at the party?

You should always offer to get drinks for other people when you go to get a drink for yourself. You should introduce yourself to new people in the group. You should avoid personal questions about family until you know them better. Good topics of conversation are films, books, television programmes, holidays, jobs, the town you are in, etc.

You should ask for permission to smoke; say "Is it alright if I smoke?" Or, better, you should go outside to smoke. Many people don't like the smell of smoke inside.

You shouldn't drink too much! And never get drunk.

What do I do when I leave?

If you are not a close friend of the hosts, you shouldn't be the last to leave.

You should say "Thank you" to the hosts and say "It was a lovely party. I really enjoyed myself." And then you should go back to people you talked to and say "It was very nice to meet you."
